

The Importance of Providing Drinking Water at Sporting Events

Free drinking water at stadiums

Did you know ...

Some stadiums around the world offer sports fans a healthy drink option while they enjoy the action on the field.

They allow fans to fill their reusable water bottles with cool, healthy drink water.

They provide families with a healthier, cost-effective and environmentally friendly drink.

Some facts:

SOME STADIUMS ARE MAKING IT EASIER to access free drinking water on game day, with new bottle filling stations around the complex.

SOME STADIUMS ENCOURGE THE FANS to visit the bottle filling stations to fill up their bottles with free drinking water.

IT'S FREE FOR PEOPLE TO REFILL A REUSABLE WATER BOTTLE AT THESE STADIUMS, so the attendees have nothing to lose and everything to gain.

Elkay has a wide assortment of bottle filling stations designed for both indoor and outdoor public space.
